

Wheelwright Lane Primary School

Family School Improvement Plan

What we need to get better at	How we are going to do it	How we will check
<ol style="list-style-type: none"> 1. Understanding the meaning of new vocabulary in our reading. 2. Read a wide range of texts to develop fluency and accuracy. 3. Write across the curriculum through engaging topics/events. 4. Learn formal methods in all operations to improve accuracy and quickness. 5. Embed our learning through regular revisiting maths concepts previously taught. 	<ul style="list-style-type: none"> • Teach children strategies to understand new vocabulary • Provide interesting and engaging texts across the curriculum. • Provide children with wider experiences so they are able to write from first-hand experiences. • Provide regular practise to learn formal methods • Provide a clear progression in skills and knowledge. 	<ul style="list-style-type: none"> • Regularly share books/poems/rhymes etc. with the children through class readers and assemblies • Ensure that a range of texts are available. • Provide opportunities to self and peer assess their work. • Assess children's learning at regular times throughout the year. • Monitoring learning through 'pupil voice'.
<ol style="list-style-type: none"> 1. Linking knowledge and skills taught in all subjects to improve our overall learning. 2. Engaging in all subjects so that we learn through a broad and balanced curriculum. 3. Developing strong learning behaviours to develop learning and character 	<ul style="list-style-type: none"> • Improve teachers' subject knowledge further through training. • Further develop long-term curriculum planning to ensure knowledge and skills build on previous learning. • Provide opportunities in school to develop positive Learning Behaviours. 	<ul style="list-style-type: none"> • Talk to children about how they learn. • Check that all planning is coherent across year groups and phases. • Work with colleagues to develop learning characteristics and embed within the curriculum.
<ol style="list-style-type: none"> 1. Increase our capacity of resilience and mental strength. 2. Become well-being champions in our school 3. Recognise when we are experiencing mental health difficulties and use strategies to help ourselves. 4. Know that a healthy lifestyle includes physical and mental health. 	<ul style="list-style-type: none"> • Develop our curriculum to develop social and emotional learning skills through activities designed to promote well-being • Support transition for year 6 to year 7 • Provide training to help each other when experiencing difficulties • Learn about the benefits of physical exercise and activities to promote good mental health. 	<ul style="list-style-type: none"> • Discussions with pupils • Develop the curriculum to include social and emotional learning skills • Ensure appropriate training takes place. • Promote strategies for good mental health and well-being
