Visit from Geoff

A big thank you to Geoff for popping in to talk to our Year 6 children about his life as an evacuee. This is a popular event every year and Geoff always manages to bring his memories to life for the children. Oral history is a great way to find out about the past. Please share your memories with your children regarding stories/events that have happened in your own families. It is great when they are able to share these in class.

Administering Medication

School staff are able to administer prescribed medication as directed by a health professional. Please complete the medication form (Mrs Hull's office or downloaded from the website) and hand to staff/secretary. All medicines are locked away in a separate space and not kept in the classrooms except for prescribed inhalers which are available in the classrooms. Please see the school's

Medicines and Medical Conditions Policy for further information.

Sports Kit

Just a reminder regarding outdoor sports kit for KS2 children. Children will be participating in sports outside whenever possible. They will need to bring their outdoor kits into school as well as their indoor kits. Outdoor kit consists of:

- Plain black or grey jogging bottoms
- Blue Wheelwright Lane t-shirt
- Plain black or grey sweatshirt or school jumper
- Outdoor trainers (crucial as children will need the extra grip on the playground and field)

Please see PE Kit Policy on the website for further guidance.

Foodbank

Please be aware that Bedworth has a new Foodbank distribution centre which open on Wednesdays from noon until 2pm at the Life Church on Bulkington Road.

Details can be found at www.bedworth.foodbank.org.uk under the locations tab. A free meal can also be obtained there as part of Life Church's Compass Project which is an outreach into the local community

Aldi Vouchers for School

From 6th September, Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up your school's poster for a chance to win.

More information on the following website:

<https://www.aldi.co.uk/kitforschools>

We have signed up for collecting Aldi vouchers - please ask your families and friends to send the vouchers to school. There will be a box in the entrance hall to store the vouchers.

Relief Midday Supervisor

We are again short of Midday Supervisors at school - it is extremely hard to recruit the right kind of caring adults for only an hour a day. If you or anyone you know who may be interested in being a Relief Midday Supervisor to cover absences for us, please contact Mrs Hull at the school office for details. All applicants will require a DBS Police check.

Warwickshire Safe Haven

Please note that there is a new drop-in service in Nuneaton for adults and teens over 16 experiencing emotional distress. Clients can drop in if they are just feeling a bit low or lonely, or if they are feeling suicidal and really depressed at the other end of the scale.

The service offers a cup of tea and chat, signposting and a 24 hour helpline staffed by trained counsellors.

The drop-in is situated in the Newtown Centre (next to the bus station) in Nuneaton and is open Thursday to Sunday 6 pm - 11 pm each night.

There is a phone number that clients can ring any evening (including Monday to Wednesday) to get support. Please see attached for further details.

There will be another Safe Haven opening up in Coventry soon - further details to follow.

The Warwickshire Safe Havens offer a welcoming, safe, comfortable, non-judgmental and non-clinical environment. The emphasis is on reducing immediate distress, and supporting visitors to access services and opportunities available to them in the wider community. There are two Havens, in Nuneaton and Leamington Spa; visit www.mhm.org.uk for further details of the Leamington Spa Haven.

You can come just for a cup of tea and a chat, or you can access one-to-one emotional support from trained mental health professionals. We also offer help in creating staying well and crisis plans, and support visitors to access other services and organisations that may be useful to them. Users of the Safe Haven have access to a 24-hour telephone emotional support line staffed by trained counsellors.
