## School Updates

Staff continue to keep the school open for children of a handful of key worker families and vulnerable children. The school office is open and please continue to ring in if you need to speak to a member of staff. Please leave a message if it goes to answerphone and someone will get back to you.

We all hope that our families are keeping well and staying safe.

## Moving Forward

I continue to receive many guidance documents from the Department of Education regarding bringing more children (Yrs N/R/1/6) back into school safely from the beginning of June. Myself, my Leadership team and School Governors are putting a school plan together to enable this to happen. At the forefront of any of our decisions is the importance of keeping children, families and staff safe, ensuring that all Health and Safety measures and risk assessments are in place and shared with families and staff. You will continue to receive correspondence throughout this week and next to keep you updated with our progress.

As a background to our decisions, we will follow the scientific guidance of keeping children in small family groupings of approximately 10 children per group with the same adult. Children will stay in their 'family' group and continue to socially distance from other groups in the school - this is the expected way of working for the next few weeks. We will also

insist on washing hands and good hygiene throughout the day so please encourage your children to practice this at home before they come back in to school.

It is advised that we offer staggered start and finish times so that parents are not congregating in groups and we will again inform you of the details soon.

Children in other year groups will continue to be offered on-line schooling through Teams with their teachers and TAs. I thank you for your support with their learning - you are doing a great job.

## Warwickshire on-line resources database

Warwickshire Education and ICT Development Service have established a process to review free online learning resources. All of the resources have been reviewed by a team of teaching staff from across Warwickshire schools. Each resource has been reviewed by at least two members of staff with their comments and ratings combined in a single review.

This can be accessed by parents and will support when looking for on-line resources to support your child's learning. Please look at the website:

# Teacher recruitment

## *Looking for a change of direction?*

*The Warwickshire Teaching School Alliance (WTSA) are actively looking for would-be teachers from any walk of life to join our School Centred Initial Teacher Training programme (SCITT); to encourage passionate and inspiring individuals into a profession which strives to give children the very best start in life.*

*Our course has been devised to develop high-quality teachers to work in the early years and primary phases. In addition to covering all Teaching Standards, the course includes an emphasis on multi-agency working, leadership in the EYFS, working with 2-year-olds, SEN/D, and practitioner research.*

*The programme benefits from the direct contributions of highly experienced teacher educators, and a wider team of early years specialists and placement mentors. The course also carries postgraduate accreditation (60 Masters credits) awarded by Birmingham City University. Alongside the taught element of the course you will experience placements across some of the best Nursery, Infant and Primary Schools across Warwickshire and Coventry for a total of 135 days on the job training.*

*At the end of the course you will have Qualified Teacher Status (QTS) and gained the skills and resilience needed to teach children during their most important phases of development.*

*For more information please contact the WTSA Teaching School Coordinator Michelle Hutton on [Hutton.m2@welearn365.com](mailto:Hutton.m2@welearn365.com) or follow the link below:*
