## Home Testing Kits

All schools have been issued Coronavirus Home Testing Kits. I am able to hand out kits to families who find it a struggle to get to a testing centre. I am happy to drop these off at your home if you need them. Please contact the school office and talk to Mrs Turner who will make sure that you receive a home test on the same day as you telephone the school.

If children are poorly we need to know the results as soon as possible to ensure that the infection is contained. For continuation of learning for all children I need to make sure my staff are able to come to school to carry out their teaching roles. Please help the school by requesting tests and attending test sites as soon as possible if you are concerned.

## Public Health England advice and guidance

Please refer to the letter and flow chart sent to schools on 1<sup>st</sup> November 2020, in Newsletter No.9.

## Christmas Cards

Artwork will need to be ordered online no later than the 18<sup>th</sup> November- this is when the online shop will close. Original artwork will need to be back in school by Thursday 19<sup>th</sup> November.

## Wearing facemasks

As we move into the Lockdown from Thursday just a reminder regarding the recent guidance from the government and echoed by the Local Authority to request that adults wear

facemasks while on school site if you are able to do so. We need to protect each other during these difficult times.

## Enrichment Fridays

Year 3 and 4 children are developing their skills of problem solving and resilience. They have been designing bridges out of Lego and checking which designs are the strongest. Super teamwork and listening skills. Well done Year 3 and 4.

## Anti-bullying focus

Over the next two weeks children and staff will spend time discussing different aspects of bullying and how we can all deal with bullying in school and out of school. Staff will focus their

lessons on physical and emotional bullying and the feelings associated with them. We will be sending out a booklet for parents (one per family) 'Say no to bullying'.

## Christmas Food Hampers

Information received from St Michaels Family Centre:

Following on from the success of the summer parcel delivery service we are pleased to announce that we are able to offer the delivery of a Christmas food hamper for families in need across the Bedworth area. The one-off deliveries will take place on Tuesday and Wednesday 22nd and 23rd of December.

Again, we are linking with Bedworth Foodbank and Fareshare East Midlands to provide the hampers. We hope that this gesture will give families a much needed boost at the end of what has been a challenging year.

We now know that the government have made provisions for children in receipt of free school meals (FSM) to have food during the school holidays; families can access support from Warwickshire Local Welfare Scheme on: 0800 4081448 or 01926 359182

<https://www.warwickshire.gov.uk/localwelfare/scheme>

Although the food hampers are available to any family as described below, they are not necessarily to support families in receipt of FSM, but rather to support those who may find themselves facing new financial difficulties, family challenges or for those who simply need to know we care.

The criteria for referrals can be found below:

- Families must live in the Bedworth area, including Keresley and Bulkington.
- Families attending a Bedworth school, but living outside of Bedworth, can receive a hamper, but the referrer will need to collect and deliver the hamper to the family (available from 22.12.20).
- Families must have a child/children between aged 0-19 Years (25 if they have SEND).
- In line with GDPR, a Warwickshire Children & Family Centre (CFC) Registration form must be completed in full alongside the Christmas Hamper referral form. If a CFC Registration form has been completed previously, this does not have to be done again.
- Hamper referrals must be sent to: [stmichaelscfc@welearn365.com](mailto:stmichaelscfc@welearn365.com) by **Wednesday 16th December 2020.**

It is important to include an up to date telephone number on the referral form as we will phone the family before we deliver. All deliveries will be carried out in a Covid safe way. **Please contact the school for a referral form.**

## Applying for Reception

Please make sure you have applied for your child's Reception place for September 2021 by 15<sup>th</sup> January 2021. For Warwickshire schools use the following website.

## Hybrid Learning

We will continue to use TEAMS for our on-line learning. As you are aware over the coming months children will be in and out of school either isolating with their families or because they are part of a bubble that has a positive Covid-19 member. We want to make sure that their learning continues on-line if they are at home. Teachers from Yr 1 to Yr 6 will be uploading Maths and English assignments that children can work on if they are at home. These will be uploaded from 9.00 to 3.00 daily in line with the school day.

Early Years will continue to use Tapestry for on-line learning.

If your child is out of school for any reason please access their learning materials for the day.

## Contacting School

The numbers of Coronavirus infections have increased all around the country and many schools in the local area have sent bubbles home due to positive cases. **It is important that you ring the school office if you are given information regarding a positive case in your family and you need to isolate.**

On many occasions parents are given the information of a positive case when the school is closed - this causes delay to the track and trace system.

The school has a new out-of-hours phone that parents can contact after 6 o'clock at night and early in the morning to be used for reporting a positive coronavirus test.

If you are advised that someone in your household has tested positive and it is out of

hours then please call this number: 07704064023. At all other times ring the school office.

## Coventry Shoebox Appeal

Thank you to all who have sent in their shoeboxes - thank you for thinking of others at this time. Some beautiful gifts contained inside the boxes. We will all be thinking of these children on Christmas Day and how special these gifts will make them feel.

The boxes will be collected by Rev. Gail on Friday 20<sup>th</sup> November. If you would like to make a shoebox with the children then please send them in to school before the collection date.
