## Updates from Public Health England

Schools are still faced with the possibility of sending bubbles of children home if an outbreak of Coronavirus occurs. The latest variant is proving to be highly transmissible and is in our local area. Some secondary schools have had to close completely due to an outbreak.

We are still required to continue with our social distancing and face covering practices in school. Our children and staff continue to keep to their bubbles too. We are in a good place in the battle against the coronavirus but we are not there yet. Please continue to stick to the school practices so that we make sure that education for our children is not disrupted over this next half term. **Whatever your personal beliefs are I ask you to do all you can to help the school and community.**

Thank you for your continuing effort to minimise the spread of the virus - you have done a tremendous job so far. Just keep going!

## Support for Year 6 children and parents/carers for transition

I am pleased to announce that our highly successful Transition Programme delivered by the Educational Psychology Service for Year 6 children and their parents/carers will be running again this year. Please note that I

have changed the date to Tuesday 29<sup>th</sup> June (after the 21<sup>st</sup> June Covid update - fingers crossed) in the hope that parents/carers will be able to come in to school to meet face-to-face with our two Education Psychologists. There will be an opportunity to hear what the E.Ps have to say and to discuss any individual concerns you may have. Parents/carers session is from 2.15 to 3.15. Please return the reply slip on the letter sent out earlier.

## Jigsaw PSHE programme

Yesterday we launched our PSHE programme, Jigsaw. The children were introduced to the Jigsaw characters and the structure of the lessons.

This half term children will be learning through the modules of 'Being me in the world' and 'Healthy me'.

At home your children may talk about the new characters they have met - please ask them to share what they have learnt.
