Following latest Government announcement

We are still required to continue with our social distancing and face covering practices in school. We have been asked to continue with our existing Covid measure for the rest of the term up to Wednesday 21st July. Our children and staff continue to keep to their bubbles too. On Friday we had our first class out due to Covid - we nearly made it to the end. Thank you to everyone who has followed the school procedures - it is you who have helped our children stay in school. You have done a tremendous job so far. A huge thanks from everyone in school.

Communication

Parents/carers please telephone or email the school office if you have messages for staff, queries regarding procedures in school, information regarding absences from school and all the usual concerns.

Staff are receiving messages through TEAMS - this facility is for teaching and learning only and not for leaving important messages - they do not always get actioned or acknowledged in the appropriate way or time. TEAMS is not a social media site.

All absences MUST be telephoned through to the school office.

Website Launch

Our school website has been updated and is now easier to access using a Smartphone or Tablet. Please take a look at the new site - out today - and leave a message letting us know what you think.

Wraparound Care

We will be able to provide wraparound care from September - confirmation letters will be sent out soon.

Holiday Club

I am pleased to announce that we are in discussions with NBLT who would like to run holiday clubs (sports and arts and crafts) on the school site. These would run every holiday, including one week at Christmas. We are hoping to finalise details for this to start in the October half term week (unfortunately we are unable to cover summer 21). I will send further details in September.

Musical Instrument Tuition

If your child would like to learn to play the guitar or keyboard next September and will be in Year 3 - 6 letters have already been sent.

Outstanding balances

Outstanding balances should have been paid to the school by Friday 9th July. All Nursery fees, musical tuition fees, wraparound fees and dinner money will need to be paid by this date.

If you are having difficulty paying then please contact the school to discuss options.

SIMS Pay – Important Information

Advanced notice - From 26 July 2021, SIMS Pay will be known by it's new name, **Pay360 Education Payments**. The products features and functionality will remain the same, you'll just notice a new logo and name when you are in the system.
