Welcome back

It is great to have everyone back and to return to some form of normality. The children were very excited to be back with their friends and on such a lovely, sunny day. I recently wrote to you regarding the procedures/measures in place as we begin to live with Covid-19 and this letter can be found on the school website along with information about self-isolation. **Children under the age of 18 and adults who have been vaccinated who have been in close contact of a positive case ARE allowed in school as long as they are well.** Again the flowchart explaining this is on the recent letter and the school website. If you are unsure please contact the school office for further advice.

Physical Activity

Over these next few weeks we will be accessing our outdoor areas more frequently than normal. We will be providing daily exercise for all children. Your child will need to have their P.E. kit in school and left here for the half term.

KS2 children will need trainers so they can access the field (sometimes it is a little muddy).

KS1 children will need their trainers or their wellingtons.

Reception children will need their wellingtons in every day.

Inhalers and medical arrangements

Please make sure that your child has an inhaler in school if needed. Most of these were sent home in June/July for home use. Also please inform the office for any other medical updates.

Universal free school meals

A reminder that the Government are still funding free school meals for children in Reception, Year 1 and Year 2. We would encourage you to take advantage of this as this is a good saving for the family and ensures that your child has a healthy balanced meal every day.

Please see the school website for up to date menus.

For the rest of the school, dinners are priced at £2.25 per meal and our

preferred method of payment is through Agora payment systems (information on website).

Contact the office if you need any advice.

Contacting School

If you need to speak to myself or a member of staff please contact the office and someone will telephone you back.

Holiday club

I am pleased to announce that Nuneaton and Bedworth Leisure Trust will be running a sports/arts/craft club at the school in holiday times. This will start in the October half term and further dates will be available.

There will be special rates for the October half term as an introductory offer. I will send out the leaflets and information when they arrive this week.

This club will also be available for children who do not attend this school so please book early to make sure you reserve a place - it will be very popular.

Website address as follows:

<https://www.nbleisuretrust.org/playscheme>

Information is not on the site yet but will be by the end of the week so keep checking.

Nursery Places

Our Nursery is very popular and places fill up very quickly - usually a year in advance of the children starting. Please be aware if you have young children at home and would like a nursery place you will need to book them in a year before they are due to start. Please contact Miss McNiff (Nursery Manager) who will be able to help you.

Cool Milk

Free milk is available for all children aged under five in school, funded by the UK government.

In our school, this milk is provided by Cool Milk, the UK's leading school milk supplier.

When your child turns five, you are able to pay a subsidised rate for your child to continue to receive milk. If you wish for your child to continue receiving milk from the age of five, simply register with Cool Milk directly via their website (www.coolmilk.com). They will then contact you at the appropriate time to arrange pre-payment.

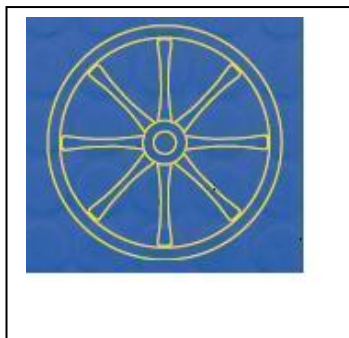

After school Clubs

Our after school multi skills clubs begin this week. The club for Year 1,2,3 is currently full however we do have some spaces left for the club for Year 4,5,6. If your child would like a place at this club please see the attached letter and return the reply slip to the school office.

Music Tuition

Music tuition for guitar and keyboard will start next week (week commencing 13th

September). Parents have already been notified if their child has a place.
