Wednesday	Football	Y3 & Y4	12.30 - 1.00
	Multi-skills	Y1 & Y2 & Y3	3.15 - 4.15
Friday			

Attendance

It is expected that all children will attend school unless they are unwell with the usual illnesses that affect them. If children display Covid-19 symptoms: high temperature, persistent cough and loss of taste and smell then please keep them off school and arrange for a PCR test to confirm if positive or negative. **If Covid is in the household then please obtain PCR for all of the household and only send your child in to school when they receive their negative result.**

School Procedures for Covid cases

The school follows guidance from PHE and the DfE as follows: Children under the age of 18 and those over the age of 18 that have been double vaccinated ARE allowed in school as long as they are well and do not show Covid symptoms. If we have a positive case in school (adult or child) we will identify those who have been in close contact (as in the information leaflet) and let parents/carers know. It will not be necessary to close down whole class bubbles as in the past, pre-vaccination days. We will endeavor to keep children in school as long as we can.

Remote Learning will support those children who are unable to come in to school and your child's class teacher will contact you regarding work to be completed.

The rate of infection in the area remains extremely high. If you feel safer wearing masks whilst on the school site then please do so - anything that helps keep the rate down will help.

Wraparound

We have a new email just for wraparound. If you have a queries or want to send a message then please use the email below.

wraparound.2@welearn365.com

All correspondence for wraparound should go through this account.

Communication

Parents/carers please telephone or email the school office if you have messages for staff, queries regarding procedures in school, information regarding absences from school and all the usual concerns.

Staff are receiving messages through TEAMS - this facility is for teaching and learning only and not for leaving important messages - they do not always get actioned or acknowledged in the appropriate way or time. TEAMS is not a social media site.

All absences MUST be telephoned through to the school office.

Mrs Browne

As many of you are aware Mrs Browne has been soldiering on for many months whilst waiting for her knee operation. We are really pleased to say she has finally had the operation today and is doing well. She sends her thanks to all the parents who have expressed their concerns and wished her well over the last year. Mrs Browne expects to be back as soon as possible and will be working

remotely from home once she is out of hospital. Mrs Harris and the Senior Leadership team will be handling day to day events in school. If you have any concerns please ring the office to make an appointment to speak to Mrs Harris.

Reception Class

During Mrs Browne's absence our Reception Teacher Mrs Hunt will be helping to teach the Reception class as Mrs Harris combines both her teaching and leadership role.
