School Car Park

The school car park is for staff vehicles only. Please do not use the car park for dropping off or collecting children at any time of the day. We regularly use the car park for after-school training sessions and other schools need to use it for parking. Also our insurance does not cover your vehicles.

As we now have CCTV we will contact you directly if you park illegally on site.

Manor Adventure

We have some amazing photographs of our outwards bound trip - too many to put on the newsletter. We will ask the children to choose a few of their favourite photographs and will make sure that parents/carers have access to them. We will do this after Easter now as the children have many fun events happening this week.

They all had a fabulous time and have brought back many memories of their adventures.

A big thank you to staff who looked after them, Mrs Haughey, Mr Trew, Mrs Bloor, Miss Harris and Mr Grove (CoG) - they were pretty exhausted when they came back on Friday.

We have booked The Lodge for w.c. 11th March 2024 for our next trip and will send out further details to Years 3 and 4 after Easter.

KS2 SAT's Breakfast Club

Once again we will be running the SAT's Breakfast Club. The children really enjoy this time together and it enables them to be settled and prepared for their tests. This year we will start at 8.00 and provide the usual toast, cereals and drinks for all. In response to requests from parents in previous years, we are able to accept siblings at the same time to ease the pressure in the morning. The children can go straight to their classes but breakfast will only be available to Year 6 children. Please let me know if you envisage a problem.

Again it is important that all Year 6 children attend every day. If your child can not attend for any reason please ring the school at 8.30 to inform staff. The school can allow children to take the test at a different time but we need to make arrangements to do this.

Polling Day 5th May

We have again been asked to support with Polling Day on 5th May. Our area known as Wraparound is self-contained and will be used to house the Polling Station. I want to reassure you that local residents who use the Polling Station will not be able to access any other part of the building.

On this day children using wraparound will enter and exit using the usual parents' entrance next to the hall - the children will stay in the hall for wraparound.

Year 6 children who use the entrance in the morning will use the usual parents' entrance next to the hall and arrive at 8.30 to avoid the 8.40 entrance by Year 3 and 4 children.

Site Security

The school will be implementing CCTV across the school site from Wednesday 27th April, as we have deemed it necessary for the purposes of:

- keeping children and staff safe;
- monitoring the behaviour of parents and visitors;
- protect the school property from criminal activity;
- deterring criminal activity on the premises;
- monitor the number of cars accessing the premises (including private lettings), and;
- provide evidence in any insurance claims.

We have identified our lawful basis for processing to be legitimate interest and public task. We do not need permission for this type of processing but want to be as transparent as possible in our usage of a CCTV system. Security cameras will be clearly visible and accompanied by prominent signs explaining that CCTV is in use and how you can contact us if you have any queries relating to the use of CCTV on our premises. The cameras are all facing towards the entrances and exits to the school - these are not for monitoring the children's activities.

We have undertaken the appropriate assessments in relation to our CCTV system to comply with our legal

obligations. Only selective staff are permitted to access the system.

- *Please see our privacy notice for further information on how we use personal data through our CCTV system:
<https://www.wheelwrightlane.warwickshire.sch.uk/wp-content/uploads/2021/05/policy-privacynotice.pdf>*
- *You can also refer back to our Data Protection Policy, and CCTV Policy for more information. Any enquiries about the CCTV system should be directed to.*

If we could please encourage you to complete the questionnaire and help them understand what is important to you when deciding on a suitable place for your child to learn. The questionnaire will take around 5 minutes to complete and is anonymous, it asks you about your experiences and what matters to you along with some general information about your family.

Please do share as much as you can about your experience to help inform the future system to ensure the best experience for parents and carers in the future.

Parent feedback needed

Warwickshire County Council (WCC) are reviewing the way parents and carers apply for a school place for their children. As part of this review, they want to understand what matters most to those involved and are asking for your feedback on using the service and Parent Portal. The information provided will help design, manage and improve the way in which this system operates.
