	Multi-skills	Y1 & Y2 & Y3	3.15 - 4.15

Friday	Dance	Y1 and Y2	3.15-4.15
--------	-------	-----------	-----------

## Home – school books to be returned

Please send in your child's home-school reading book by the end of this week please. We are replenishing stock and updated our books ready for September start. Please continue to read at home with your child - any books from home that they enjoy reading is great to use.

## Health and Safety Governor

Our Governing Body is in need of a Health and Safety Governor. You do not need to be a H&S representative in your own job - training will be given. If you would like to join the Governors in the school and can offer your services then please contact myself or Mrs Turner in the office. I am happy to answer any questions you may have about the role of a Wheelwright Lane Governor.

## Summer Play scheme

The NB Leisure Trust will be running a playscheme during the Summer holidays. Please see the attached information for more details.

## Correspondence

Please direct all correspondence to the office at [admin2021@welearn365.com](mailto:admin2021@welearn365.com).

Mrs Turner will ensure that your correspondence goes to the correct adult in school.

Please do not email teachers directly.

## Sunscreen

As we are moving into the warmer months, please ensure your child comes into school wearing sunscreen, with a water bottle and with a sun hat when necessary. Please be aware the Nivea sun protect and care products for children now contain refined oil of sweet almonds. As we have children in school with severe nut allergies, we would prefer if these products were not sent into school.

## Schools Meals

From September the price of school meals will increase by 5p - cost is now £2.30.

## SEND Webinar for parents

Warwickshire County Council is hosting another special educational needs and disabilities (SEND) webinar on Tuesday 19 July on the topic of Speech and Language Provision.

There can be many reasons why a young person may have a Speech, Language and Communication Need (SLCN). It may be due to physical difficulties such as a cleft palate or a hearing impairment, or it could be linked to other developmental conditions such as Autism. In some cases, there is no obvious cause.

Whatever the reason for a SLCN, it's important that children and young people receive timely support to improve their overall development and educational outcomes. This webinar will provide parents and carers with a better understanding of the different levels of speech and language therapy support and

how to access this for their child. It will also be an opportunity to share feedback on the current provision to help inform and improve future support across Warwickshire.

The webinar takes place on Tuesday 19 July, 1pm - 2pm and you can register to attend at: <https://bit.ly/SpeechLanguageProvision>

## Cool Milk

Free milk is available for all children aged under five in school, funded by the UK government.

In our school, this milk is provided by Cool Milk, the UK's leading school milk supplier.

When your child turns five, you are able to pay a subsidised rate for your child to continue to receive milk. If you wish for your child to continue receiving milk from the age of five, simply register with Cool Milk directly via their website ([www.coolmilk.com](http://www.coolmilk.com)). They will then contact you at the appropriate time to arrange pre-payment.
