13th June 2023

Headteacher Message

Our children returned to school last week and have been busy starting their new topics. Our Reception pupils held their first performance to their families on Friday. It was an exciting event for them and it was lovely to see so many people attending to show their support! The children certainly demonstrated our 'brave' learning behaviour!

Facebook and Social Media

facebook

Mrs Hitchins, our ICT lead in school, has launched our very own Facebook account. We will be using Facebook to communicate with our families and celebrate the wonderful learning and events that take place at Wheelwright Lane. A letter has been sent out to all families regarding this. Please adhere to the strict guidance around appropriate use. To follow us search Wheelwright Lane School and Nursery.

PA

Don't forget to support our PA this half term. They will be selling ice lollies on Wednesdays and Fridays during the warm weather. The summer PA disco event will also be running towards the end of the academic year and is a great way to support fund raising for the school.

Warm weather

Please make sure your child has sun tan cream on before they come to school. You may also provide cream in a named bottle for your child to apply themselves if required. Please also send your child with a sun hat. Your child has a drink bottle in school which they can fill up at any time throughout the day. Drink is always accessible to children and we will encourage them to increase their fluid intake frequently during warm weather.

Secondary School

If your child is attending **President Kennedy** in September we have arranged for the pupils to visit on Wednesday 14th. We will be travelling in a mini bus to the school and will leave at approximately 11:00am. The children will have a short tour and talk and will return to school around 1:00pm. Please send your child with a packed lunch on this day. If your child is entitled to a free school meal please call the office to arrange this. The children will take their water bottles with them if it is hot. Please also ensure they have sun tan cream on prior to school.

Early Help Coffee Morning

We will be hosting an Early Help Coffee morning and drop in session at our school on. Mrs Rowe, our learning mentor will contact you directly to invite you to this session.

Parent Support Groups.

From September 2023 Wheelwright Lane Primary School will be hosting a session every two weeks for parents of children with autism, ADHD and or additional needs. This includes parents of pupils with social, emotional, and mental health needs. Roots to Branches is a charity organisation and focuses on providing support, information and signposting for parents and families of pupils with additional needs. Having a child with SEND can be extremely isolating and the group aims to provide support for families and pupils. We are really excited about this and hope that we can support our families in the future. We will be hosting an initial 'welcome' session on Wednesday 21st June at 9:15am

PE Feedback

Mrs Cullinane is our PE leader at school and champions all forms of sport and physical activity across our school. She would very much like to get some feedback and reflections from our pupils about their thoughts on PE. Please scan the below QR code to answer these questions with your child.
